WHO WE ARE

KARMA

OUR BRAND

Artists + engineers. Visionaries + pragmatists. Rule followers + troublemakers. Karma is driven to transform the industry through our inventive approach, our timeless offerings and our commitment to our elite community of owners. Every millimeter, intentional. Every moment, exceptional. Every vehicle, a masterpiece. We're not simply manufacturing vehicles — we're crafting unforgettable experiences meant to create continuous awe for our drivers, building masterworks of art that become extensions of our drivers' souls.

ABOUT KARMA AUTOMOTIVE

Karma Automotive is America's only full-line ultra-luxury vehicle manufacturer, and a pioneer of Hybrid EREV (Extended-Range Electric) vehicles which it manufactures at its Karma Innovation and Customization Center (KICC) in Moreno Valley, CA. Its Executive, Product Development, and Design headquarters are located in nearby Irvine, CA. The Karma portfolio embodies California's spirit of innovation and entrepreneurial boldness. Karma Automotive's dealer network spans North America, Europe, South America and the Middle East.
